

Willow Class Newsletter

Autumn 1 2021

Topic Overview

This term, we will be exploring about what is important to you and why/how we are all different. We will discuss and compare our differences, personalities, talents, interests and hobbies. We will learn about lots of different types of families and consider what the values of family are, regardless of who is in your family.

English

In English, we will be focusing on stories with repetitive phrasing. We will begin with the Little Red Hen! We will be learning about how bread is made, making our own bread rolls, learning about the effect of repetitive phrasing in stories and how to write alternative endings to familiar stories.

(ABC)

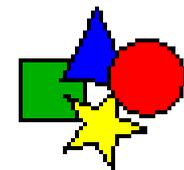

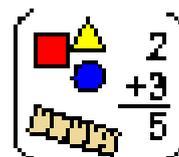

ABC

Other regular English sessions including writing practice, letter formation, phonics, spelling, reading fluency, comprehension and sentence structure.

Maths

In maths, we are focusing on 'number and place value' this half

123

term. We will also do some learning on multiplication and division.

Science/Music

Our science topic this half term is 'animals including humans'. Karlie will be teaching our science on Thursday afternoons and we will be doing other experiment work throughout the year.

Swimming, Rebound & PE

Hydro is going to be up and running very soon!! Watch this space! Our rebound session is every Tuesday 1:30-2:45pm.

Drinks and snacks

We will continue to learn about healthy eating throughout the whole year. Please continue to send in healthy snacks for your child if they have one during break time and/or the end of the day. They can also have a refillable bottle which can be refilled by us throughout the day if necessary.

Remember!

Colder weather is approaching! Please send your child into school with appropriate, warm clothing including a coat, hat, scarf and gloves.

House/treat points

Willow class will continue to earn house points for good work, trying their best and following class rules. For those extra special WOW moments, the children may earn 'Treat Points' which we put onto a chart. When we get to the end of the chart we will have a treat morning, afternoon or even go on a trip!
