

Family Update

10th November 2023

Updates

Hello everyone and welcome back after the half-term break, we hope you had a marvellous time.

Monday was a busy day for our **staff at the INSET training day**. Sessions were delivered on Paediatric First Aid; PROACT SCIPr - a proactive approach to supporting behaviour, and workshop sessions were held to improve Adapted Books; Pre-Phonics and Phonics resources (thank you to those families who sent in interesting objects for this cause); Soundbath resources; Early Years Topic resources; the development of Hydro and Rebound Therapy Passports; Showcases for work in Cultural Capital and furthering our Save Our Sleepover campaign. We are also holding a twilight training session next Wednesday evening on a Practical Application of **Administration of Medication** which will be run by the **Special School Nursing Team**.

Today we held a short commemorative **service of Remembrance** where the children gathered to hear the stories of wartime losses and remained as quiet as possible during the short silence. See the photos below of Sleepover Club who held their Remembrance event this week too. See below for our exciting plans for our **Christmas Fair**.

Apologies to some of our families this week whose **county transport was disrupted** with little notice. Each of these routes has settled effectively now with new providers in place and thank you for your patience while this was achieved. The issue was out of school hands but Staffs County Council needed to make an immediate change due to compliance issues.

We hope you have a great weekend, your Leadership Team
