

# Family Update

22nd September 2023

## Updates

Hello everyone, I hope you have had a lovely week. The children have been very busy as you can see from the photos and we have also had some very helpful visitors. Sarah and Anna from Simple Stuff Works came to make Postural Care assessments on some of our children and young people. With their help and expertise we have managed to help them to become more comfortable whilst gently correcting body twists that have manifested over time. If you would like to know more please check out these links and if you would like your child on the next list for assessment please let us know. [Simple Stuff Works – Passionate about Posture](#)

Jacob Director of Science at Shaw Education Trust has also been in school today, helping us to make our Science teaching and resources even better.

As the cooler months are now on their way we are so grateful and it is a big THANK YOU to Diane at Craft Barn and her Crafty Ladies and Ladies Craft groups for knitting 132 pairs of gloves for our children so they can continue to enjoy the outdoors during Forest School sessions and break times all year round.

Many thanks to everyone for their support this week. From Your Leadership Team

# Sleepover Club Highlights

Pupils have been learning about personal hygiene this week. Some of them used disclosing tablets to show how well they cleaned their teeth. Others practiced tooth brushing techniques on the toy dinosaur. They looked at all the toiletries used to keep them clean and fresh and some enjoyed a nice warm, soapy handwash.

COTON GREEN FC PRESENTS...
