

Family Update

1st July 2022

Updates

Hello everyone, it's been a busy Saxon Hill week as usual. Explorers had a wonderful time during their trip to Twycross Zoo yesterday and their department have been linking this with their topic 'Under the Sea' by independently using switch operated equipment e.g. foot spas to get that 'underwater' sensation. Investigators have been developing their independence and motor skills by painting scenes. Investigators, Adventurers and Towards Independence groups have also been working hard to sort, process, date and deliver all the very generous donations of food that you have sent in to us for the Lichfield Foodbank. We are extremely proud to have helped to provide an amazing 896 meals for people who are currently struggling in this exceptionally difficult economic climate (see photo on next page for details).

Today is the last day to complete the family survey from SET, please let them, and us, know your views of school: <https://www.surveymonkey.co.uk/r/parentalsurveyspecialterm32022>

If you haven't already done so, please would you complete the form to let us know if you would like to come to our Meet the Team/Parents' Evening event on 13th July 4-6pm: <https://tinyurl.com/vxxwf9cz> Thank you.

Our Inset day today has concentrated on effective preparation for September. Staff have been trained in: Minibus Driving, Ramping & Clamping on Transport; Best Practice Care & Support; Managing Continence; Accessible iPad Use; and several short projects on developments within school that our SET Review and Well-being survey highlighted as areas for development. It has been an extremely productive day with staff teams now better equipped for now and a great restart in September.

We hope you have a fantastic weekend, best wishes, Your Leadership Team.
