

Family Update

17th June 2022

Updates

Hi everyone, I hope you've had a fantastic week like we have. Sensory Explorers have been learning about the beach and feeling dry and wet sand on their feet, calling out if they want more and fishing out objects with nets; Sensory Investigators have been concentrating hard, decorating biscuits with multi-coloured icing, Emerging Investigators created chalk paintings on the playground after reading 'The Dot' by Peter H Reynolds; Developing Adventurers have written Haiku, a form of Japanese poetry; Sensory Independence students have been sitting calmly together for their sensory story and Developing Independence students took a trip to Chasewater and learned to use the outdoor gym equipment to help keep themselves fit and healthy.

I sent out the family surveys on Thursday, if possible could you spend a few minutes completing these; they provide really useful information on how you would like us to improve, for the Trust and ourselves too. Here is the link if you missed it: <https://www.surveymonkey.co.uk/r/parentalsurveyspecialterm32022> We currently have a vacancy for a school governor role, if you, or someone you know would be interested in being part of an enthusiastic team committed to this crucial aspect of holding school to account, please contact Wess or myself to find out more.

Please note that the Childhood Immunisation Team are in school on Monday with a catch-up clinic for Yr 8s, 9s and 10s. You should have already received your consent forms from nurses but if not and you wish your child to be involved, please call school nurses first thing Monday morning. All the best for a wonderful weekend, Your Leadership Team
